THIS IS
NOT
GARBAGE.

AT TANDUS, IT'S RAW MATERIAL FOR NEW CARPET.

At Tandus, recycled content vinyl products are never special order, minimum order or upcharged, but standard. And reclaimed carpet is never incinerated or landfilled, only closed-loop recycled. Guaranteed.

We take life-cycle responsibility for every vinyl-backed product we've ever manufactured. We'll take back any used, vinyl-backed carpet – even our competitors' – and turn it into new carpet. That's 120,000,000 pounds of old carpet made into new, high performance, certified environmentally preferable carpet since 1996.

Look for real environmental innovation – choose Tandus.
